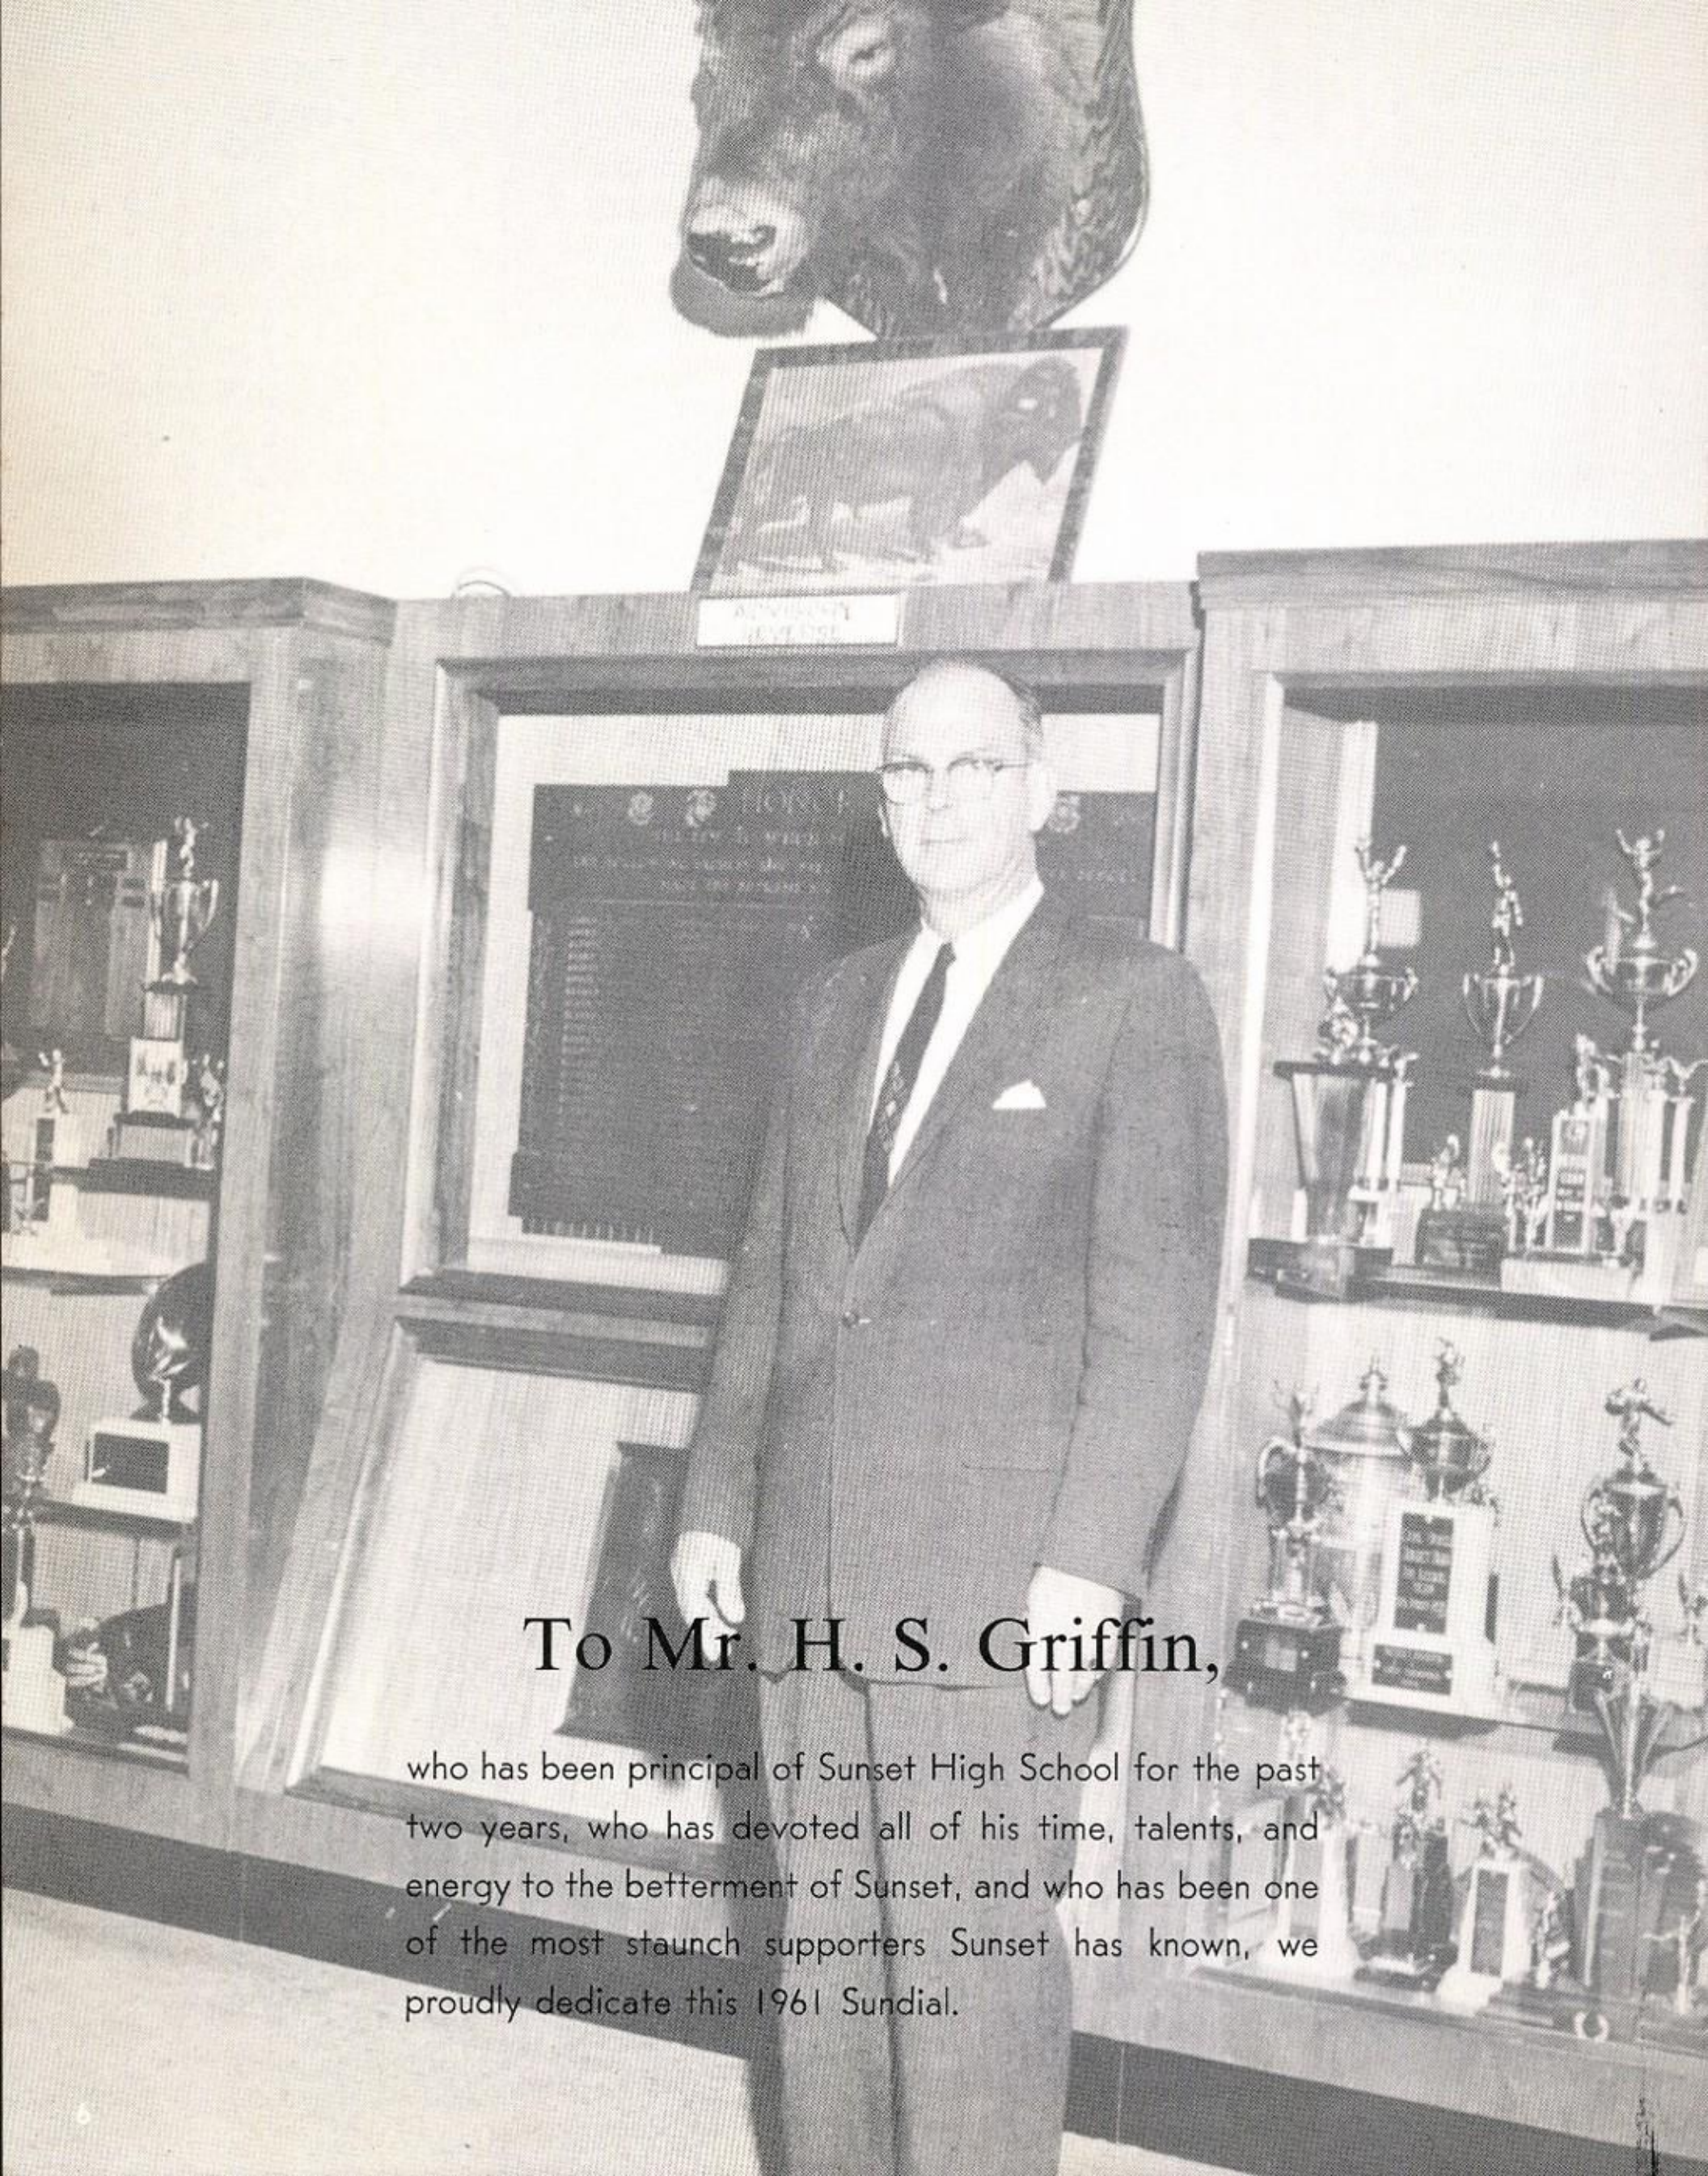
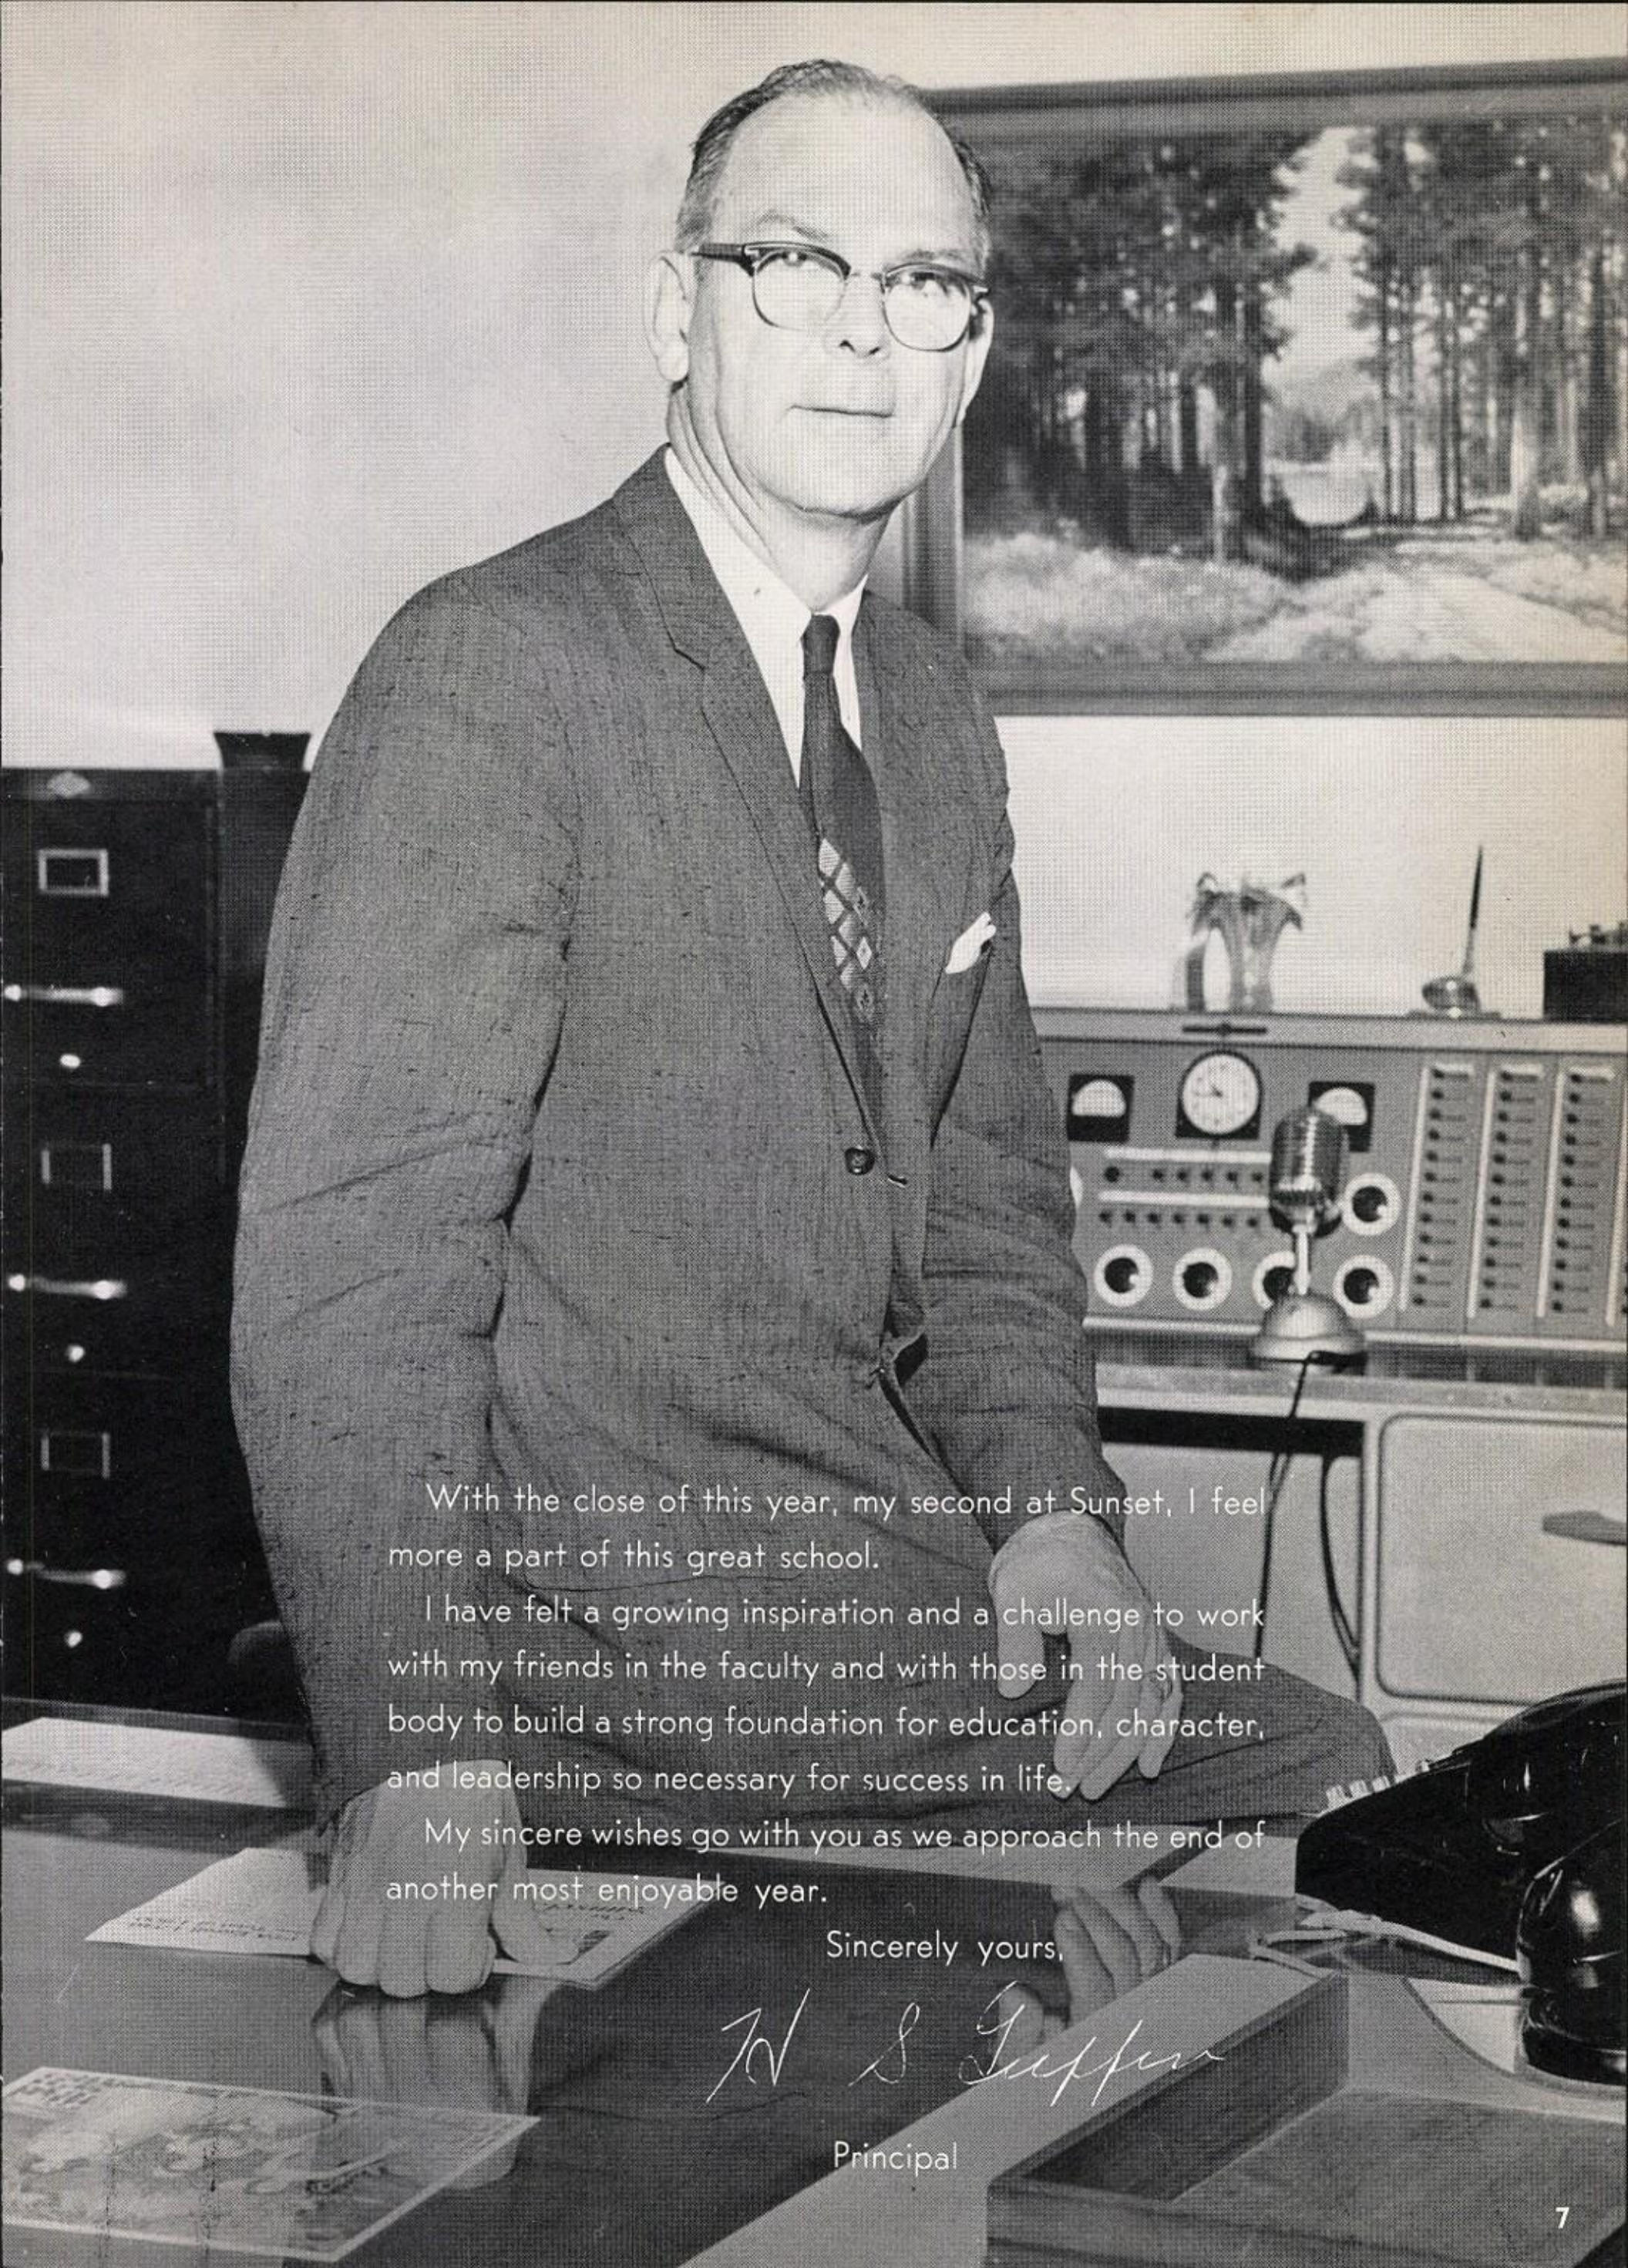
ADVERTISEMENTS 294



To Mr. H. S. Griffin,

who has been principal of Sunset High School for the past two years, who has devoted all of his time, talents, and energy to the betterment of Sunset, and who has been one of the most staunch supporters Sunset has known, we proudly dedicate this 1961 Sundial.



With the close of this year, my second at Sunset, I feel more a part of this great school.

I have felt a growing inspiration and a challenge to work with my friends in the faculty and with those in the student body to build a strong foundation for education, character, and leadership so necessary for success in life.

My sincere wishes go with you as we approach the end of another most enjoyable year.

Sincerely yours,

W. S. Tupper

Principal

Frank Guzicki

Our association has been very pleasant, and I would like to express my appreciation to all the Sunset students who worked and gave their time so willingly to make our school an institution that will best prepare us for the issues of tomorrow.

Those who are staying are urged to seek the best our school has to offer. To those who leave, we trust that you carry some of Sunset's traditions for they will serve you well. We are interested in your career. We shall be happy to hear of your achievements, honors, and contributions. Our prayers and concern will follow you.

Frank Guzicki

Assistant Principal

The Seniors of 1961 represent the finished products of this school. Each course symbolizes a tool which is ours to use to our advantage. Each activity has been another tool which has helped us to build the finished product. Our record at Sunset is now made.

I would like to express my deepest appreciation to the Student Body for the honor of serving as your president this year. Your devotion to the traditions and customs that make Sunset great has made Sunset even greater.

I wish to offer my sincere thanks to the Student Council for the cooperation you have given me this year.

It is difficult, almost impossible, to express in words the depth of my appreciation to the faculty. Your patience, understanding, guidance, and counseling have helped me to learn to live every day to its fullest.

As we of the Senior Class go our separate ways and turn to face the question mark of the future, the closing lines of the alma mater become ever more meaningful to us.

"May your wisdom guide us, and ever stand beside us; Throughout our lives we pledge devoted faith in thee."

Rice Smith

Student Body President

MRS. GRACE STUBBS, Senior Sponsor for two years, lends great aid to the seniors.

are two of the many themes represented on the Sunset stage this year. Leaders of the Catholic, Protestant, and Jewish faiths spoke to students about the growing task of brotherhood in our troubled world. Later in the year students and their parents enjoyed a night of fun in western attire at our "Round-Up."

Other assemblies which interested students because of their quality and because they shortened first period were presented by the basketball team, speech students, and the faculty, in cooperation with the Junior Red Cross.

REV. RISINGER, MINISTER OF TYLER STREET METHODIST CHURCH, ENLIGHTENED HIS AUDIENCE ABOUT PUTTING BROTHERHOOD INTO ACTION.

Participation Enhances School Life

Spirit is the common factor in all of the services and activities participated in by students and faculty members at Sunset.

Morning Meditations callers invite everyone to join in a brief fellowship before each school day begins.

Student Council representatives show their appreciation for the faculty by sponsoring a faculty coffee during the fall semester. It would be hard to find any one adult in Sunset High School who devotes more time to our school than Mr. Maloney.

Around Christmas time, Bisonettes learn that everyone likes candy—especially the candy they sell to raise funds for their annual Christmas Dance.

Tournaments mean many hours of preparation. Ask any participant! Yet there is a satisfaction which each participant gains from these events. Each activity serves to make the participants vital parts of Sunset life.

Valentine Dance Honors Class Sweethearts

St. Valentine's Day brings to mind cupids, hearts, and exchanges of expressions of love between sweethearts. For this reason, the Student Council chose a Valentine theme for the annual Sweetheart Coronation.

Next arose the task of choosing the girl best suited to reign supreme as the Sweetheart of Sunset High. The Junior and Sophomore classes were to choose a princess to serve in the court of the Sweetheart.

Fight Song

Fight, fight for ol' Sunset High.
Cheer up the spirits striving for fame.
Let those Bisons reign on high;
Tear down the thunder from the sky.
What tho' the odds be great or be small.
Old Sunset High will win over all.
Fight for Sunset High today,
And win victory for our school.

CHARLOTTE FERGUSON—EDITOR-IN-CHIEF.

Through pictures and print, the Sundial tells a story—a story about a student's activities at Sunset or his organizations or his awards or his honors or his sports participation. But even more, the Sundial depicts the spirit and tradition of Sunset.

Carrying out plans for the more-than-300-page yearbook is an all-year responsibility for staff members. Preliminary work begins in the spring of the preceding school year. In the summer, advertisements are sold and class pictures are taken.

Sundial Staff Records Yearl

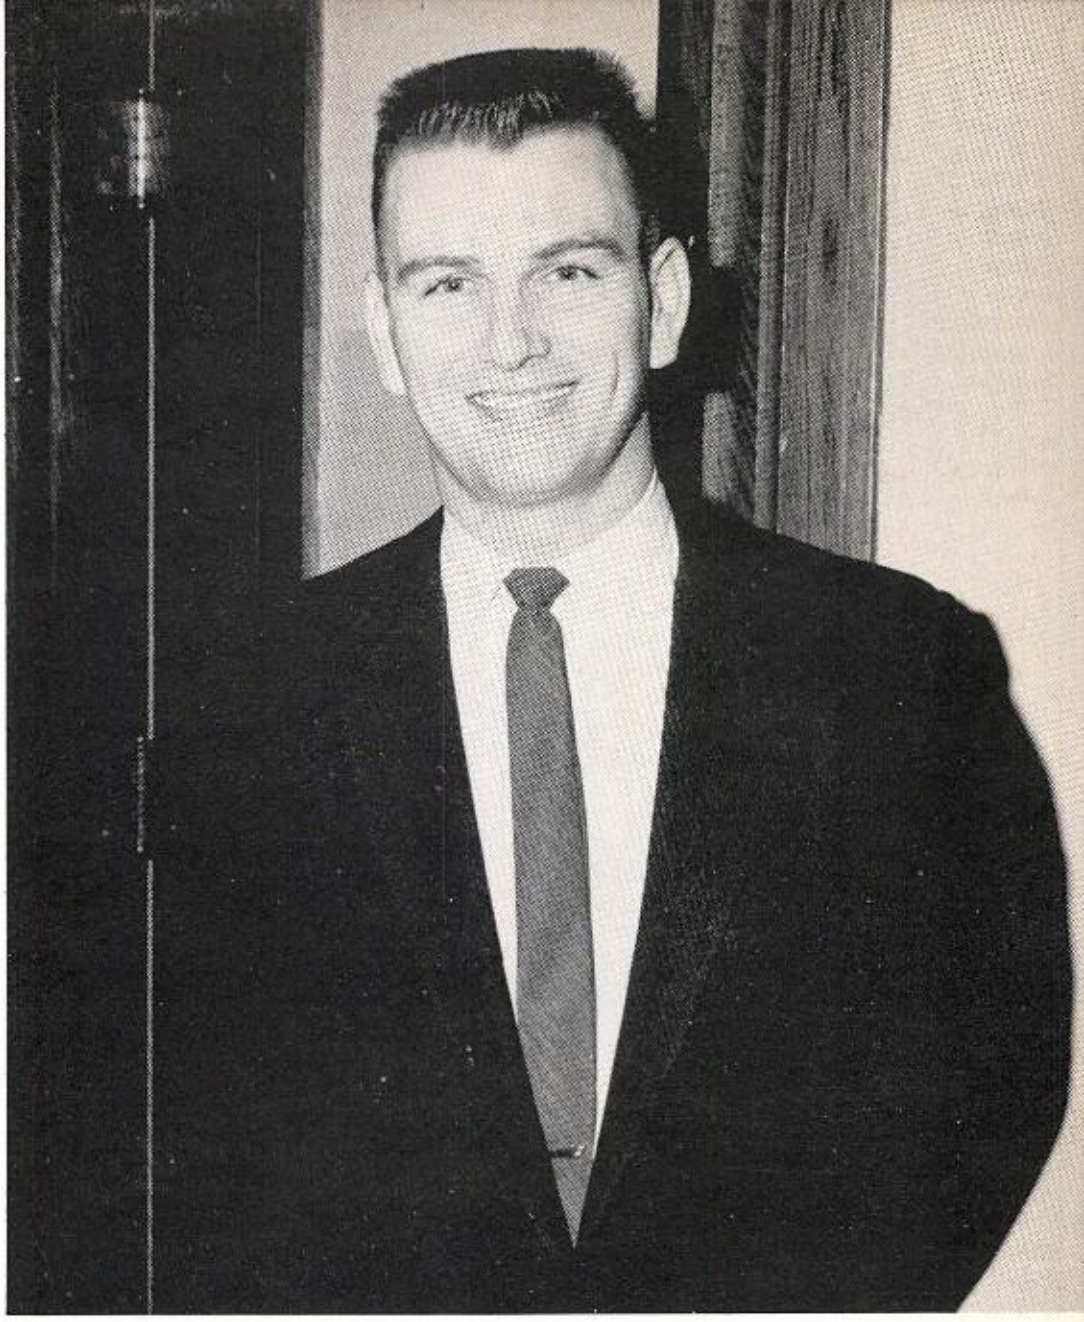
WALTER WINSETT AND STEVE BRYANT COORDINATE THE SPORTS SECTION AS EDITOR AND ASSISTANT, RESPECTIVELY.

PLANNING OF THE CLASSES SECTION IS CARRIED OUT BY ASSISTANT PEGGY GRAVES AND EDITOR MARTHA MILLS.

School starts! The Sundial Staff continues their work. Pictures must be taken of all important school activities, and information must be written concerning each event.

"Sundial Day" is set aside each year for the dedication and presentation of the annual.

Once the yearbook reaches the student body, signatures of farewells and best wishes can be found throughout the Sundial. And the story of a year at Sunset is soon placed on the bookshelf to be referred to many times as a lasting remembrance of a student's high school days.



MR. DON FAUGHT—SPONSOR.

This Committee, the first of its kind at Sunset, helps acquaint the foreign student with his new surroundings by seeing that the exchange student takes part in school activities and by seeing that he visits in students' homes.

Tumblettes Perform Routines at Local Hospitals

Tumblettes help themselves by helping others. The service organization has brought happiness to many who are unable to get outside and have a good time.

Children at Scottish Rite Hospital for Crippled Children and patients at Veterans' Hospital are happier because Tumblettes performed during the fall semester. Parties were given in honor of the children at Scottish Rite at Christmas and during the spring. In addition tumblers participate in P.T.A. programs and variety shows.

Students Offer Assistance in Administrative Offices

"What! A call slip for me? From the Dean?" Delivering the many call slips issued daily is only one duty for girls who work in the Dean's Office, the Assistant Principal's Office, and the Principal's Office. These workers, who must maintain a "B" average, also file records in their respective offices, answer telephones, and run errands in an effort to help their bosses carry out necessary, important office procedures at Sunset.

Award-Winning Concert Choi

The Concert Choir spends long hours rehearsing to achieve the excellence for which it has become famous. Members are chosen in difficult auditions in which each applicant must exhibit his range, control, and ability to blend his voice with others.

Spends Long Hours Rehearsing

The most spectacular program presented by the choir this year was "H.M.S. Pinafore," an operetta by Gilbert and Sullivan. In addition to the operetta, the Choir presented its annual Christmas Assembly and participated in various other programs at Sunset and presented programs throughout the city. Concert Choir is an accredited program for the high aptitude singers in Sunset.

OFFICERS OF THE CONCERT CHOIR ARE BERT NEELY, TREASURER; RUTH ANN KELLEY, PRESIDENT; JOHN SMITH, VICE-PRESIDENT; CLYDE WELLS, LIBRARIAN; NANCY KELLEY, SECRETARY; LARRY FITZHUGH, LIBRARIAN.

EIGHT MAJORETTES LEAD THE SPOTLIGHT BAND OF DALLAS ONTO THE FOOTBALL FIELD AT EVERY HALF-TIME ACTIVITY FOR A SHOW OF FINE BATON TWIRLING AND FANCY PRECISION ROUTINES.

Majorettes Master Baton-Twirling Routines

Amid cries of "Don't drop that baton! . . . What step comes next? . . . Keep together . . ." the 1960-61 Majorettes practiced new routines.

Sponsored by Mr. Ralph Utley, the eight baton-twirling girls are present at pep assemblies, football games, and parades. Wherever and whenever the band is seen marching, Majorettes are found high-stepping ahead of the musicians.

Head Majorette for the school year is Myra Livingston. Majorettes who have performed for one year are Linda King, Carole Foster, Patsy Clifton, Dottie Wilson, Linda Sharrock, and Judi Bunn. Mary Ellen Jordan and Myra Livingston have completed their second year as Majorettes.

Spotlight Band Specializes i

Practice begins in the latter part of the summer for Sunset's Spotlight Band of Dallas. Half-time performances with professional polish and marching precision are the rewards of the long hours of rehearsing.

For the second consecutive year, the Spotlight Band won first place in the Oak Cliff Fire Prevention Parade.

Marching, Half-Time Programs

Throughout the school year, the Spotlight Band presented eleven half-time shows at football games, a variety show, and special all-school assemblies.

Musicians also participated in the Big D Half-Time Show, a radio broadcast, and the American Education Week program.

SGTS. JACK WETZEL AND JAMES CARY

Instructors, Officers Command R.O.T.C. Unit

Sunset's 1960-61 Reserve Officers Training Corps has 180 cadets who are ably led and instructed by Col. K. P. Brock and Sergeants James Cary and Jack Wetzel. Students also hold important positions of leadership in the corps such as this year's Regimental Commander, Lt. Col. Randy Martin. Others who achieve high positions comprise the Battle Group Staff pictured below.

Sweethearts, Honors Add Spirit to Corps

The Reserve Officers Training Corps introduces high school students to the military program of the United States by instructing them in military training on the field and in the classroom. Since its establishment in 1929, Sunset's Corps has brought distinction and many honors to our school.

In addition to the regular classwork, cadets can participate in four activities — Jodiliers, the precision drill team, Color Guard, Rifle Team, and Military Band. This year's Rifle Team won the Small Bore Championship among Oak Cliff high schools. The Jodiliers also participate in competitive events. In the summer cadets may go to Camp Dallas in Mineral Wells for four weeks of further military training.

For the second year each military unit in the R.O.T.C. has selected a sweetheart to represent them. Each sweetheart has an honorary captain's rank in the Corps and wears a specially-designed uniform in the reviewing stand at the Corps' dress parades. The queen of the Corps is selected from the nine sweethearts at the Military Ball held in January. This formal dance highlights the military calendar.

Cadets Learn Procedures for Future Army Service

On Thursday mornings as the command "Pass in review" is given, the military units of Sunset's R.O.T.C. march in dress parade. This activity is similar to the federal inspection that the Corps undergoes in the spring to receive accreditation. The instruction in the use and care of rifles, marching drills, and knowledge of R.O.T.C. procedure is excellent training for future military obligations.

Queen Judi Bunn Reigns Over Military Ball

The swirl of formals and the smartness of uniforms complimented by the purple and white decorations transformed the gym into an elegant ballroom. Here the R.O.T.C. held its annual Military Ball in January, and Judi Bunn was chosen queen of the nine units. The "Candy Stripe Five" provided music for the night's dancing.

Football '60

Though some may still remember the sound of the roar of the crowds and the last few bars of "Tequila," to most the 1960 football season is history and all but forgotten. The boys who made up the squad have played together for the last time. The Underclassmen squad members look ahead and wonder what the future holds for Sunset football, while the Seniors can only look back and reminisce.

Although the record they left behind is not too impressive, they are proud to have worn the purple and white; and we, the student body, are proud of them. We are proud of them for their good fair play and sportsmanship, and, above all, for their contribution to the Spirit of Sunset.

The 1960 Sunset Bisons have, in many ways, upheld the winning tradition, and we are proud to look back on their record.

HALFBACK BILLY FOSTER SPRINTS AROUND END IN THE WOODROW GAME.

Bright Sunset Blinds Wildcats, 22-8; Eclipsed by Samuell Spartans, 21-6

The Bisons won their opener of the season and made other Dallas teams sit up and take notice with their smooth ball handling and accurate passing attack. Long sprints by Billy Foster, Billy Hamilton, and Willie Roten highlighted the game's action.

The Bison team played like champions although they were turned back by the powerful Spartans in a game billed as a re-play of last year's 28-15 championship match. Sunset fought hard throughout the entire game, but was outmanned by the Spartans.

Bisons Find Tyler Too Speedy, Prove Equal With Rebels, 14-14

The Bison Eleven was unable to keep up with the swift John Tyler backs as they dropped their first out-of-town game amidst a barrage of injuries, 48-7.

The always-close Thomas Jefferson game followed tradition by being one of the most exciting games of the season. T. J. gained a tie with Bisons on a doubtful fourth quarter two-point conversion.

Bisons Toppled by KK, 12-7; Fall to Jinx-Breaking Bears

Because of an inspiring talk from Sunset's Bob Foster and an off-beat telegram, Bison spirit was never higher for any one game. But despite last-minute team efforts, Sunset ended up on the short end of the scoring for the first time in the history of the two teams.

Lightning speed and bruising blocks proved too much for the Herd's defense as highly-favored South Oak Cliff took advantage of their opportunity to get revenge for their two previous one-point losses to the Bisons. The result: 63-7.

Bisons Make Leopards Hustle For Title

In the last scheduled game of the season, the two oldest rivals in the city met for what proved to be a battle of strength versus spirit. There was more team effort for this game than any other contest of the season. Sunset was Adamson's last obstacle in the path to the zone title, and the Leopards took a number of spills before hurdling the Bisons 26-14.

Basketball '60-'61

Coach Rufus Moore, reinforced by a strong squad of Underclassmen, molded one of Sunset's brightest basketball teams around four returning lettermen. Early in the season when sportswriters were predicting the South Zone champion, Sunset's team won heavy support. In non-district games the Bison five turned out consistently good performances, but when the regular season began, lady luck started to frown. Sunset lost its first three games by a total margin of six points. The student body rallied behind the team more than ever toward the end of the season. And the team finished in a brilliant way. By soundly defeating South Oak Cliff 63-48 and Adamson 57-51, the number one and two teams in the Zone, the basketball team ended an otherwise disappointing season in a way long to be remembered.

Sunset's basketball team developed into a thrilling, hard-working organization. While no one member of the team starred consistently, talent was plentiful on the squad. Although the district record showed nearly three-fifths of the games lost, the purple quintet kept a game average of 50.0 points to our opponents' 49.0 points per game which shows the closeness in score of almost every game. Despite the disappointments suffered in defeat, the feam displayed a spirit that carried it into victory in the last two games to close the season in a heart-pounding pace.

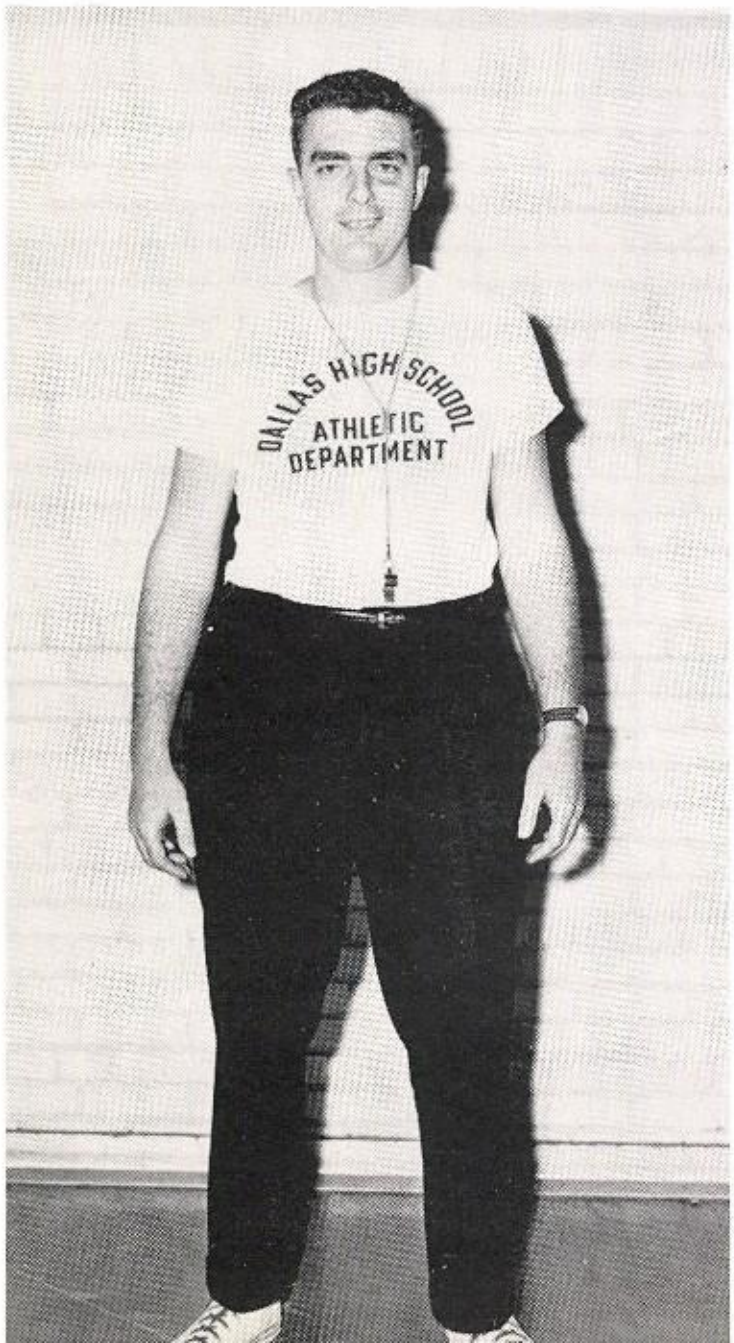
COACH CALVIN AXTELL



In his first year as a coach at Sunset, Calvin Axtell led his charges to a record of seven wins and three losses. In a heart-breaking overtime game, the Baby Bisons took third place in the city race by losing 53-41 to undefeated Thomas Jefferson.

Statistics show the strong playing of the "B" cagers during the city competition as they totaled 943 points to their combined opponents' score of 773. The winning season completed by the "B" quintet forecasts varsity victories in the future.

Track '61

The 1960-61 Bison Cindermen are now in training for what everyone hopes will be the ninth City Title for the purple and white speedsters in a decade. Sunset's victory hopes will be guided this year with a new captain at the helm. Coach Jack Roten assumed duties of head track coach, previously performed by Mr. Herman Scruggs. The nucleus of this year's team is composed of five returning lettermen, half as many as last year, who are ably backed up by many promising sophomores and veteran point winners.

Judging from past performances of the returning lettermen, the coaching ability of Coach Roten, and the outcome of practice meets thus far, this year's track season could bring another feather to the Bison's cap of City Championships.

Hopes for a successful season in track are brightened considerably by the presence of five talented, returning lettermen. Billy Foster, who last year set a new city record in the 100-yard dash and then took first in the broadjump at the state meet, continues to give evidence of his ability to take high point honors as the number one trackstar in the state. Stock in the '61 squad soared with the transfer of Phillip Carvajal to Sunset this year. This talented .distance runner took second at the State Cross Country Meet held in December. These factors combined with a strong squad forecast that Sunset's track reign will continue this season.

Baseball '61

At the beginning of March baseball drills for the varsity team have been hampered by the persistance of winter weather. Coach J. C. "Abe" Barnett, venerable, white-haired baseball mentor, is still busy selecting starters to fill the infield positions vacated by last year's large squad of senior lettermen. Competition for these starting roles is producing strong playing on the part of both junior and senior team members. According to coach Barnett, Sunset has a good chance at taking the city title if the Bison team can come through with good pitching. Pre-season exhibition games include contests with Hillcrest, North Dallas, Woodrow Wilson, and Abilene.

Buffs Look for Good Season

Three senior lettermen are returning to Sunset's baseball team and their playing will do much to decide the success of the '61 season. James Council, a two year letterman, will reside at home plate as catcher while Johnny Small and Ronnie Bergoon defend the outfield. A strong group of underclassmen and senior squadmen round out this year's team and make it a potential threat as city titlist.

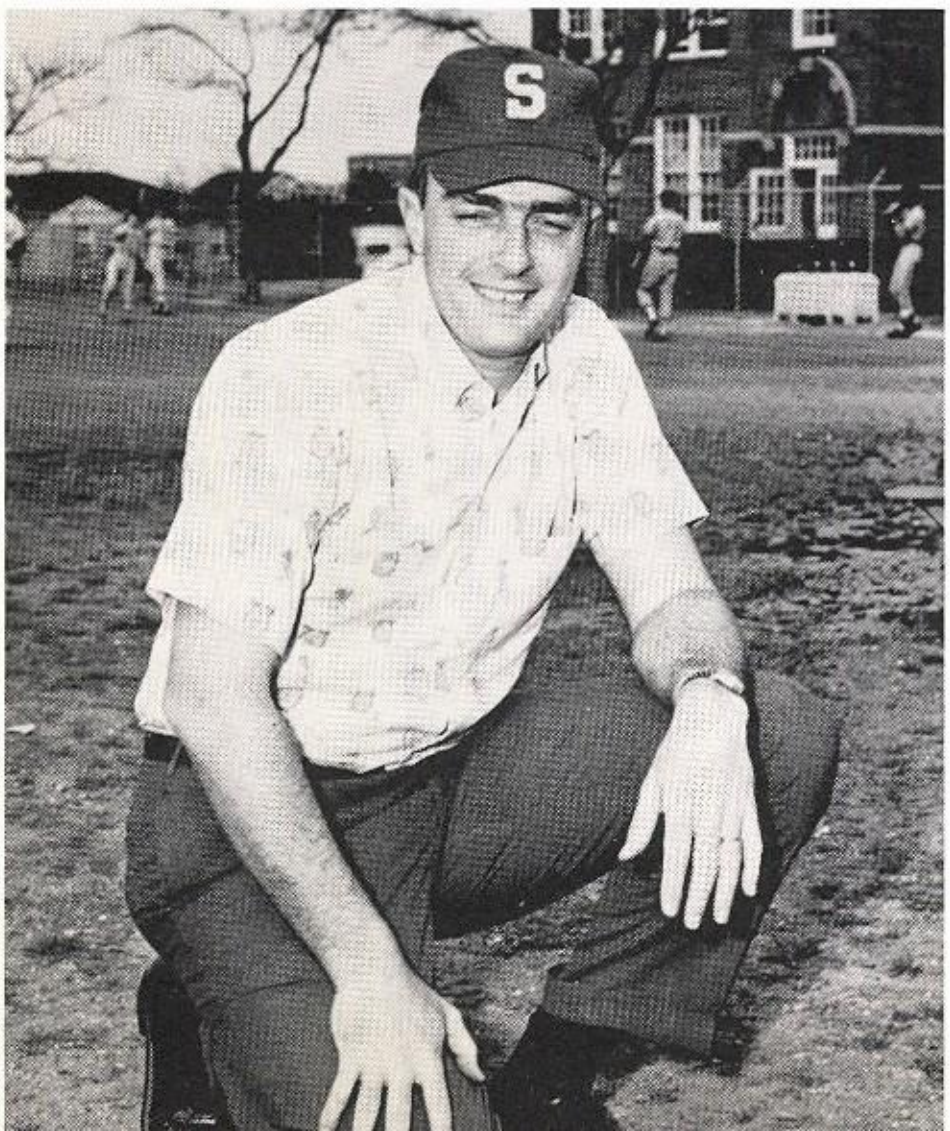
COACH CALVIN AXTELL



Sunset's "B" diamond dwellers promptly began the '61 season by defeating Hillcrest, 23-3, and Woodrow Wilson, 8-3. Mr. Calvin Axtell, in his first year as a coach at Sunset, is in charge of the "B" team squad. He also coaches football and basketball. Under his direction, a fine season is expected and a future, strong varsity squad is anticipated.

Golf '60-'61

Although the city matches did not begin until the latter part of January, the Sunset golf team began daily practice after school began in the fall. When weather permitted, the golfers were out trying to beat par at Stevens Park Golf Course. Three returning lettermen lead the golfers as they face their toughest competition in Kimball and Woodrow Wilson. On February 18 Sunset split its match with defending city champ, Woodrow Wilson, 3-3, but later in the month the linksmen dropped a crucial game to Adamson 4½-½. In mid-March, the team is residing in fourth place in the city race.

Tennis '60-'61

With five returning lettermen, the Sunset tennis team boasts a strong and talented squad that should cop the city trophy despite tough opposition from cross-town rival, Hillcrest. Sunset netters last year took the city championship, and tennis coach Elmer Knox has again guided this year's team into a high position in the city race.

The girls' doubles team of Judy Jewett and Bettye Henkhaus has won the city doubles championship for the past two years and their performances this year, coupled with the fine playing of Judy Sample, Claude Prestidge, John Rounsaville, and John Harvey, should be enough to finish in first place.

Netters Work to Repeat as City Champs

In the Cotton Bowl Invitational tournament Sunset netters were bested in the city and county division this year by Hillcrest. Fierce competition with the Panthers was evidenced in the regular season when they split their match 2-2. From team standings, it is almost definite that the city championship will be divided between Sunset and Hillcrest.

Our crack tennis team again this year is under the expert coaching of Mr. Elmer Knox. This winning organization owes much of its success to his experienced leadership.
